## PERCEPTION AND EXPERIENCE

Springer-Verlag New York Inc., United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In recent years, significant, indeed dramatic, advances have occurred in the study of perception. These have been made possible by, and, in fact, include methodological advances such as the development of signal detection theory and the application of linear systems analysis to auditory and visual perception. They are reflected in an interest in the study of ecologically...
