Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Anatomie of Humors: And the Passionate Sparke of a Relenting Minde Simion Grahame, the author of this volume, was the son of Archibald Grahame, a burgess of Edinburgh, and he appears to have been born in that city about the year 1570. He was indebted, for a liberal education, to the patronage of James the Sixth, who, in 1580, presented him, by a letter under the privy seal, to the prebendary of Brodderstanis for his sustentatioun at the scolis for sevin yeiris. On the expiration of this grant in 1587, his Majesty again presented our author to the same prebend for all the dayes of his lyfthyme - his Hienes willing that the said Simion suld not be disapointit of sum ressonable sustentatioun to interteny him at the scuillis. It is more than probable that Grahame was by these means enabled to complete his education at the University. The personal history of our author from this period is nearly a blank, and the few scattered notices which remain regarding him, scarcely afford materials for an outline of his story. There is reason to suppose that during the earlier part of his career, although he enjoyed a considerable reputation for learning, his character in other respects was little calculated to secure the respect of his contemporaries.
