Islamic Supreme Council of America, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Contrary to ill-founded doctrines of extremism, terrorism, and what is often portrayed in the media, Islam is based on peace: with blood relations, loved ones, colleagues, neighbors, communities and nations. However, one cannot establish peace unless one has peace in their heart. Today the world is in a perpetual state of chaos and unprecedented upheaval. Families are uprooted by social and political crises, poverty has spread worldwide, and corruption is rampant. How can peace coexist in such a negative environment? Based on traditional Islamic source texts-the Holy Qu ran, the Holy Traditions (hadith) and opinions of venerated scholars throughout history- The Peacemakers As Taught in Classical Islam examines what real peace is, how to acquire it, who the genuine peacemakers are and how to benefit from them.
