Absolutely not, thought Pastor Don Basham when another pastor suggested evil influences might be causing turmoil in his church and failures in his ministry. But after more troubling and perplexing problems, Basham began to discover he was wrong. In this page-turning account, Basham chronicles his reluctant journey from disbelief to acceptance in the existence of demonic spirits. More than a story, he imparts what he discovered about demons, the difference between infestation and possession, and how to engage in spiritual warfare. He also describes the biblical tools that bring about deliverance from demonic influence. Through this moving story, you will learn how to recognize the presence of evil spirits, pray for deliverance and protect against demonic invasion. It s never too late. You can find the freedom and healing you need--and be an agent of deliverance to others.
