Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Musical Criticism and Biography The following selection has been made with the view of preserving in a convenient and durable form the more generally interesting of the Author s writings on music. Critical notices of Performances have, therefore, for the most part been omitted, though in some cases extracts from them have been inserted in order to illustrate a principle or to continue an analysis of the music performed. A few short extracts have also been added for the sake of giving a more complete picture of the Author s opinions, and of enriching the book with his descriptions of the style and peculiarities of some of the great musicians of his time. It is hoped that this Memorial Volume will be a welcome addition to musical literature, and the means of carrying on the Author s work; thus enabling him still to serve that good cause to which his life was so much devoted.
