### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For three hundred years the stories about a strange creature living in the north woods of Michigan have surfaced time and again. It is reported to be a man like beast with glowing red eyes and a head like a wolf, which can walk and run upright. These were just stories told around campfires thought Jerry Mathews a biologist with the US Department of Forestry. That was until the attacks began. Nothing Jerry had learned at the university could have prepared him to face the beast that defied identification by known animal species. Nothing except an old Huron Indian man and the legends and tales he had grown up with. The following is an excerpt from The Dogmen. Joe sat down in a chair in the shade removing his wide brimmed hat and wiping the sweat from his forehead. What is on your mind Jerry ? You know these forests around here better than anyone, Jerry said. You have hunted and guided here all your life. I suspect you know just about every stream and tree. Your knowledge would go a long way in trying to hunt down this animal we are looking for. Joe cast a suspicious look at Jerry saying, Animal it is now, not wolf? Sounds to me as if you are not to certain what you are trailing son. Jerry looked at the ground avoiding Joe s eyes. Truth is I am not so sure anymore. I don t think a half crippled up old trapper is going to be a lot of help. True I know this area like my property here, but I wouldn t be able to walk more than a...
