Moody Press,U.S., United States, 2007. Paperback. Book Condition: New. 170 x 127 mm. Language: English . Brand New Book. When George Mueller could not get it out of his mind to open a house for orphans in late 1835, he purposed to do so that God might be magnified by the fact that the orphans under my care are provided with all they need, only by prayer and faith. For over sixty years George Mueller wrote down the details of the Lord s provision. Thousands of orphans depended solely on Mueller, and Mueller depended solely on the Lord. Prayer is an urgent matter that always yields crucial results. Through his narrative account, Mueller reveals how powerful and spiritually rewarding prayer can be in your life. Moody Classics Of all the factors influencing our spiritual growth and development, pivotal books play a key role. Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve. And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King. To this end, Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics. Selected for their enduring influence and timeless perspective, these new editions promise to shape the lives of spiritual pilgrims for generations to come.
