

Odysseys of Love: Death, Dementia and the Soul: A Journey Into Understanding

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Hermaden Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Odysseys of Love is an invitation to think differently about death. The book offers a journey to a new understanding: looking at death from a broader and more expansive view. Death is a part of everyone's life, yet it is something we rarely take the time to consider. We need to make peace with death. The fear of death and dying can be an obstacle to fully living. The grief we experience when loved ones die can be difficult to bear. When we understand the eternal nature of the soul and know the relationships with our loved ones have not ended, that knowledge can help us find resolution. Graehme Hall has studied death for many years. This book is the understanding she has received from years of seeking answers to her questions. Hall shares the building blocks that have formed the basis of her current thinking. She shares the answers she has found to more than thirty questions people have asked her. What happens when I die? How will it feel to die? Where do I go? Can I communicate with my loved one who has died? Do animals go to heaven? Hall believes in God, a Divine Source, that is unconditional love. Everything in the Universe is energy and interconnected; energies that are alike are attracted to each other. We all go to heaven, to a loving and joyful non-physical realm, when we die. According to Hall, relationships with our loved ones are eternal: they do not end simply because someone dies. The book includes personal stories of how Hall coped with her husband's death and her mother's dementia. She writes about the...
