Excerpt: .the Duke of York Group and New Ireland is covered with trees, which, from the number and size of the barnacles adhering to them, and the quantities of crustacea and fishes in and about them, must have been a long time in the water. The current changes during the south-east monsoon, setting north-west in that season. The life and manners of the aborigines may be best described by individualizing a type, who shall, for our present purpose, be known as To Ling, or its feminine equivalent, Ve Lz ug--words in the New Britain dialect signifying such-a-one. For the land of To Lz ng s birth, then, there is no native name. Both on New Britain and New Ireland the land is divided into districts, which often receive their names from a river or mountain. New Ireland is called Tombara on the charts, and navigators no doubt understood the natives to give that as the name THE DUK DUK, NEW BRITAIN ouoUP. of the land to which they pointed when asking the question, but the word simply means the south-east trade-wind, or the quarter from which it blows. There is no unity among the people, and there could scarcely be a general name for a land split up into districts. the people of which have no connection with each other, and speak what are practically different languages. To Lz ng s home was in a village, the like of which may be found any day...
