Ever wonder how life on earth might end? Exciting new novelist Greg Sparks, using Revelation as his blue print, pens a fascinating interpretation of the end-of-times as foretold by scripture using Christian prophecy. This is not your robots versus humans or the latest apocalypse story from Hollywood. The world is spinning out of control; earthquakes, volcanoes, war, terrorism, darkness, and other unexplained phenomenon are weakening mankind's own foundations through the supernatural power of God. Hope is gone, fear is universal, and faith is dismal. Armageddon emerges on the horizon in this supernatural Christian thriller. The Bible comes alive! Fire from Heaven is the ultimate good versus evil story where Sparks pits two ordinary men, David Halevi and Andrew Rounds against the anti-Christ, Etana Mohammad, a newly minted world leader who stuns the world by wiping out terrorism and bringing peace to the Middle East. From across the globe, billions admire his accomplishments and fuel his meteoric rise to power. But as the Great Tribulation period begins, Etana's true character begins to unfold and his deception is so well masked that the choice each must make becomes the ultimate challenge for every living person. Etana Marduk Mohammad's name reflects his greatness; Etana was a great Babylonian king who became a god; Marduk was the most prominent god in all of Babylonian; and Mohammad is praiseworthy. Etana establishes himself as the authoritarian leader, taking over Asia, Africa, South America, and The Middle East. The world bows to his knees and worships him. A fierce battle between Etana Mohammad and Andrew Rounds and David Halevi rages for three and a half years. The men of God are blamed for all of...
