Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

THE BEND OF THE WORLD: A NOVEL (HARDBACK)

WW Norton Co, United States, 2014. Hardback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. In the most audacious literary debut to come out of the Steel City since *The Mysteries of Pittsburgh*, we meet Peter Morrison, twenty-nine and comfortably adrift in a state of not-quite-adulthood, less concerned about the general direction of his life than with his suspicion that all his closest relationships are the products of inertia. He and his girlfriend float along in the same general direction, while his parents are acting funny, though his rich, hypochondriac grandmother is still good for admission to the better parties. He spends his days clocking into Global Solutions (a firm whose purpose remains unnervingly ambiguous) and his weekends listening to the half-imagined rants of his childhood best friend, Johnny. An addict and conspiracy theorist, Johnny believes Pittsburgh is a nexus of intense magical convergence and is playing host to a cabal of dubious politicians, evil corporate schemes, ancient occult rites, and otherwise inexplicable phenomena, such as the fact that people really do keep seeing UFOs hovering over the city. Against this strange background, Peter meets Mark and Helen, a slightly older couple, new to town, whose wealth and glamour never fully conceal the suggestion of something sinister, and with whom he becomes quickly infatuated. Mark is a corporate lawyer in the process of negotiating a buyout of Global Solutions, and initiates Peter into the real, mundane (maybe) conspiracies of corporations and careers, while Helen-a beautiful and once prominent artist-is both the echo and the promise of the sort of woman Peter always imagined, or was always told he ought to find for himself. As Peter climbs the corporate ladder, Johnny is pulled into the orbit of a mysterious local author, Winston Pringle, whose lunatic book...
