

The Economic Benefit of Postsecondary Degrees

By National Center for Higher Education Man

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In response to the declining international ranking in the percentage of young adults with a postsecondary credential, President Obama, philanthropic and policy organizations, and states have set bold goals essentially to double the number of postsecondary degrees and certificates produced in the next 8 to 13 years. Behind this commitment to increased attainment is a value proposition for policymakers and the general public that achieving these goals will lead to social and economic benefits for individuals, states, and the nation. The movement to increase the percentage of U.S. citizens with a high quality postsecondary degree or credential has proceeded alongside a prolonged economic downturn in which state appropriations have fallen below enrollment growth and inflation. Nationally, state and local support per student is down 12.5 percent in constant dollars from FY 2006 to FY 2011. Meanwhile, despite substantial annual tuition increases in most states, between FY 2006 and FY 2011, student full time enrollment increased an average of 16.9 percent nationally. And bachelor s degree production during the period of this study, FY 2005 to FY 2010, grew...
