Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.I am an English-speaker. My mother tongue is English. I am also fluent in French, which I learned earlier in life. So when, about five years ago, I decided to start learning German, I thought at the time that, hey, German could not be more difficult to learn than French with its many tenses and many exceptions. I was sure that I would be fluent in German within a year. Five years later, although I now have a working knowledge of German and am able to participate in conversations, I am still learning this complex language of 100,000 words, tough grammar with three genders and many forms, verb usage requiring super-precision, and many other challenges. Why did I decide to write this book? Most books on learning German are written by German language experts, people whose mother tongue is German, people who may not fully appreciate the hurdles English speakers may face when trying to learn a language as complex as German. I wanted to write a book on learning German from the perspective of a non-German native. Aside from beginners in the German language, this book may also be useful as a reference for English speakers with limited knowledge of German, and, conversely, German speakers with limited knowledge of English. This book has nearly 2,500 pages in total. Unfortunately, Amazon has a maximum limit of 630 pages for any 8.5quot; x 11quot; book published directly through them. Therefore, this book has been artificially divided into 4 parts. If you like the content of this part of the book, it is essential that you get all four parts of the book for proper learning. What...
