Knitting off the Axis: Projects & Techniques for Sideways Knitting

By Mathew Gnagy

Interweave Press Inc. Paperback. Book Condition: new. BRAND NEW, Knitting off the Axis: Projects & Techniques for Sideways Knitting, Mathew Gnagy, Explore a new angle on knitting. Emerging designer Mathew Gnagy has created a fresh collection of 15 sweaters for men and women that explore the possibilities of knitting off the axis in new angles other than traditional top-down or bottom-up constructions in Knitting Off the Axis. Each of the patterns is designed in a one-of-a-kind way, focusing on knitting sideways or in an untraditional direction. Knitting at different angles gives these knit projects unique shaping, visual interest, and fashion-forward silhouettes. You'll love the new techniques and challenge of knitting sideways. Most sideways knits tend to be simplified, less dynamic versions of more traditionally constructed patterns, but Mathew has brought you uniquely textured stitch patterns. The result is knitting projects that are classic, stylish, and lively. The book is divided into three easy-to-follow sideways knitting categories: Truly Sideways, Mostly Sideways, and Every-Which-Way with additional instruction on short rows, internal shaping, and more. Knitting Off the Axis offers everything you need to incorporate clever knit combinations and maximize your design possibilities with sideways knitting.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
