

## Bringer of Chaos: The Origin of Pietas (Military Genetic Engineering in a Dystopian World)

By Kayelle Allen

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Two enemy warriors: one human, one immortal. Different in belief, alike in spirit, marooned together on an alien world. Imprisoned and in isolation over a year without food or water, the immortal Pietas survives. Though broken in body, his intellect and will are intact, thanks to Six, the special ops warrior who captured him, but kept him sane. The warrior had no hand in his deprivation and, like Pietas, was betrayed by his own kind. When Pietas is abandoned on an alien world with nothing but his honor--and Six--he must find and rejoin other immortal exiles. After centuries of war, Pietas detests humans and kills them on sight, but he is too damaged to continue on his own. Though he despises needing help, he allows Six to nurture and restore him to full strength, and then accompany him. As they cross the planet together on foot, the immortal begins to wonder if he has found his first human friend, or if Six is loyal only because Pietas could keep the others from tearing him to...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
