Fox Chapel Publishing, United States, 2012. Paperback. Book Condition: New. 276 x 216 mm. Language: English . Brand New Book. This book will teach you basic playing techniques for the ukulele. No prior musical experience is assumed. You will learn how to hold the instrument, position the hands, strumming techniques, basic chords and beyond. The enclosed CD guides you through a series of exercises, which are organised in a progressive fashion (practicing one strum and slowly building to more complicated rhythmic patterns). The CD also includes a variety of charming songs that you will be able to strum along with (starting with one/two chords and progressing on to more complex). Encouraging tips are included as well as fun/interesting trivia and sidebars about the ukulele. Music theory is included, but the emphasis is on getting up to speed and on with the fun of playing quickly.
