Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

FIRST GRADE TAKES A TEST

Star Bright Books, United States, 2006. Paperback. Book Condition: New. Ronald Himler (illustrator). Reissue. 251 x 226 mm. Language: English . Brand New Book. This timely book, reissued with new art, goes right to the heart of the school testing issue. When the lady from the principle s office brings in a test for the first grade class, the children find that none of the proffered answers are exactly right, so they have trouble with the test. Fortunately, their teacher knows what s really important: being creative and being a good friend, things that can t be found on a standarized test. This is a great book to remind people that being smartest on a test may not be all that matters in the classroom.
