

The Healthy Pet Manual: A Guide to the Prevention and Treatment of Cancer

By Deborah Straw

Inner Traditions Bear and Company, United States, 2005. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book. Examines the environmental, dietary, and lifestyle-related causes of cancer in pets and how to safeguard their well-being Cancer is the number one killer of most domestic animals Includes health care information on dogs, cats, ferrets, rabbits, and guinea pigs The first consumer-oriented book to assess conventional and alternative treatment options Keeping their pets healthy and happy is the number one priority of pet owners. Having lost four animal companions to cancer, author Deborah Straw became frustrated by the lack of information about what was causing the disease and wanted to know what she could do to treat and prevent it. This thorough and comprehensive guide is the result of her search for answers. It provides readers with the knowledge of how to ward off the unforeseen causes of cancer and protect the safety and health of their pets. Cancer is the number one killer of most domestic animals. This revised and expanded edition of Why Is Cancer Killing Our Pets? includes the most up-to-date information on the environmental, dietary, and vaccine-related culprits that may cause cancer...
