Reviews

These types of book is the greatest ebook readily available. I was able to comprehended every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

AVOIDING THE SUMO DIET

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about me and how I changed my whole life. My name is Ashley Summers and I used to be fat. Not just a little fat, but very fat. All the problems in my life seemed to revolve around my weight. I was always the one hiding in the back of group photos. When possible, I would often try to avoid the camera in the first place by making excuses about how my hair was a mess when it wasn't. Looking back now, I realize I wasn't fooling anyone. One of the most embarrassing moments was when a little girl approached me in the mall to ask if I was going to have a boy or girl. Kids don't seem to have any inhibitions; they say what comes to their mind because they haven't developed a sense of self-censorship. You might be wondering why it was embarrassing to be asked that question. It was embarrassing because I wasn't pregnant. Most people don't understand how it feels to be judged and marginalized. The world just isn't fair for people who aren't normal. People assumed that I was lazy or that I didn't care about myself. These assumptions can actually hurt a person's chances of success. For example, did you know that according to research, overweight people are far less likely to be hired? The worst day of my life was ironically the best day of my life, because it forced me to change. Losing the weight was actually really easy after I figured out what I was doing wrong. Have you ever seen those really huge Sumo wrestlers on...
