Excerpt: . . . disability claims as early in the application process as possible, with the expectation that DSI would reduce both appeals of denied claims and future backlogs. The plan involved several envisioned changes to improve the disability determination process. However, results of the initiative by early 2007 were mixed. ( See table 1 for examples of these initiatives and their results. ) In general, we found that implementation of these and other DSI initiatives were hampered by rushed implementation, poor communication, and inadequate financial planning. Overall, the DSI initiatives cost more than the agency had originally estimated. Table 1: Examples of DSI Initiatives and Their Results

Name of initiative	Description	Results
