Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Balkans: Roumania, Bulgaria, Serbia, and Montenegro This is the first attempt which has been made to present English readers with a concise account of the history of the four Balkan States. Yet the Balkan Peninsula has been in modern times what the Low Countries were in the Middle Ages - the cockpit of Europe. It is there that the eternal Eastern question has its origin; it is there too that the West and the East, the Cross and the Crescent, meet. But it is impossible to understand the great problems, which still await solution in South-eastern Europe and are once more pressing themselves upon the attention of all thoughtful men, without some knowledge of Balkan history. The mutual jealousies of Bulgarian and Serb, the struggle of various races for supremacy in Macedonia, the alternate friendship and enmity of the Russian and the Turk are all facts, which have their root deep down in the past annals of the Balkan lands. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
