Arden must return to Caladen to face judgment from the King of Kings. He is not alone as Ildera and the princess Ariana are with him, as well as a face from the past. Afterwards, they are given a new task and purpose: to fight against a beast, far away in the city on the edge of the world. A relentless queen still seeks destruction, sending her apprentice Lydia in their pursuit to the divided kingdom of Vanara. The wealth and power of the entire region is held in place by one man from Ildera s past and a mysterious child that speaks words from the Lord Most High. A great battle that occurred one thousand years ago still shapes the present. The story continues and hearts are revealed.
