Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Ills of Indigestion: Their Causes and Their Cures, in Three Essays In writing this book my object has been to put on record certain facts that I have learned during the last twenty-five years on topics comprehended under the title of dyspepsia, and to make those facts available for the use and relief of those whom they most concern. Dyspepsia is the mother of more ills than it has ever received credit for, and the literature of medicine has not yet offered the sufferer any scientific or practical means of relief; which facts constitute my apology for offering this book to those who suffer in any manner from any of the ills of indigestion. I hold little or nothing in common with the views generally prevailing on disorders of digestion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
