Look Up Projectment Education Enterprises, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.We work too hard as urban planners and designers to settle for bland, mediocre places. Our work should be inspiring and creative, but established practices have us copying plans and stamping out versions of whatever s popular at the time. Our current culture wastes too much time worshipping other communities and trying to get what they have. Why do we plan the same ideas and implement them on the ground-together-when this practice renders our places invisible in the process? It s time for this old system to die. Designing Local ushers in a new era when remarkable neighborhoods and cities are invented and our professions are elevated. We can now ignore fads that come and go, reject mass production, and embrace The Local. We can finally do inspired work and set our places apart from the rest. We ll bring attention and praise to our communities, increase tourism, lure startups, and attract new residents who seek special and meaningful addresses. THE SECRET TO CREATING REMARKABLE PLACES .is in this book. Your new day and your community s reveal is a quick but powerful read away. Praise for Designing Local : Progressive-minded planners have a whole toolkit of best practices that they use to ensure that their communities put their best faces forward, but the problem with best practices is that they become templates. Transform enough abandoned mills into cute artisanal-gastro-boutiques, repurpose enough suburban strip malls into the same mixed-use live-play-shop destinations, and you are simply replacing one form of generica with another. Kyle Ezell has written an important and timely manifesto that challenges planners, designers, and place-makers of every stripe to stop confusing imitation...
