Without such intensive application no Little Theatre may hope for significant success. With it, its littleness will open vistas, inward, into immensities of art, worth lifetimes to explore, and outward, through the. responses of audiences, toward revelations even vaster in the latent minds and hearts of the people. Those, of course, --the very fabric of drama itself--are the true soil and flowering of the theatre's function; and no Little Theatre can ever afford to forget that it exists for, and because of, that bigger community out of which its smaller coterie was born. In the fecundity of that mightier community, the people, it will find the sources for its own local Hamlets and Gar ricks. How little, then, ought a Little Theatre to be As little as the keen, round full moon, on a cloudless night, after an eclipse. PERCY...
