Brand New Book ***** Print on Demand *****.Excerpt from Trade and Navigation Between Spain and the Indies: In the Time of the Hapsburgs It is an historical commonplace that with the discovery of the western hemisphere and of the Portuguese route to the East, European trade expanded from a continental and Mediterranean into a world commerce. The mapping of new sea routes revolutionized the conditions of mercantile traffic. Till then coasting and overland trade had predominated; about Europe galleys and clumsy sailing barges of a hundred tons or less were generally sufficient to meet the demands of the contemporary merchant. But from the end of the fifteenth century ocean trade assumed the first place, and galleons and carracks challenged the secrets of the outer seas. The shores of the Atlantic became the centre of international exchange, and the commercial hegemony of Europe passed from the cities of Renaissance Italy to the maritime states in the west. With the capture of Constantinople, moreover, and the destruction of the Mamelukes in Egypt, the Ottoman Turks were masters of all the routes to India. The explorations of...
