Authentic Media. Paperback. Book Condition: new. BRAND NEW, Waking Up in Heaven: A True Story of Brokenness, Heaven, and Life Again, Crystal McVea, Alex Tresniowski, The remarkable story of a woman, plagued with guilt and skepticism, dramatically changed by the nine minutes she spent in heaven. "God let me see me through His eyes. And in that instant I knew that God had always loved me, through all of those dark and difficult years when I doubted His existence, through every crisis and every heartbreak that made me turn away from Him more. I knew, in that instant, that His love was endless and boundless, and that if He loved me so much, how could I not love myself?" For most of her life, Crystal McVea was a skeptic whose history of abuse and bad choices made her feel beyond the reach of God--who questioned if God was even real. She had all but given up hope. Then came December 10, 2009--and the moment that changed everything. For nine minutes that night, Crystal went into full respiratory arrest. She was unconscious and unable to breathe on her own, unaware of the crisis happening around her as the hospital staff rushed to save her life. Crystal doesn't remember the trauma or losing consciousness; she just remembers waking up in heaven, next to God. Waking Up in Heaven invites readers to witness the relentless pursuit of God in a life that was broken and seemingly beyond hope, an awe-inspiring account of love, forgiveness, and redemption, and the healing power of God's presence.
