The book, as it appeared in the Leisure Hour, stopped with the account of Dinah Morris. But four chapters are now-added to it, in explanation and defence of George Eliots marriage and religious feeling. Mr. Mottram has really nothing new to say about the former episode, except to insist that Lewes wife had left him finally and cruelly before George Eliot appeared upon the scene. Huttons judgment, with which most readers will be inclined to agree. But, while Mr. Mottrams critical opinions are not convincing, it is impossible not to respect the enthusiasm and research displayed in his unpretentious essay, which forms a creditable contribution to the study of George Eliots sources.
