Fortress Press,U.S. Paperback. Book Condition: new. BRAND NEW, Writing Theologically, Eric D. Barreto, Writing Theologically introduces writing not just as an academic exercise but as a way for students to communicate the good news in rapidly changing contexts, as well as to discover and craft their own sense of vocation and identity. Most important will be guiding students to how they might begin to claim and hone a distinctive theological voice that is particularly attuned to the contexts of writer and audience alike. In a collection of brief, readable essays, this volume, edited by Eric D. Barreto, emphasizes the vital skills, practices, and values involved in writing theologically. That is, how might students prepare themselves to communicate effectively and creatively, clearly and beautifully, the insights they gather during their time in seminary? Each contribution includes practical advice about best practices in writing theologically; however, the book also stresses why writing is vital in the self-understanding of the minister, as well as her or his public communication of the good news.
