TYLER S TREASURE

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Nine-year-old Tyler has a dream life. His family s ocean-side marine life park is all he s ever known and the sea animals his closest friends. But when developers threaten to buy out the park due to its fading attendance and dwindling finances, he plots with his cousin, nine-year-old Aaron, to find a buried treasure rumored to exist somewhere on the property. A treasure buried centuries ago by one of their ancestors, the notorious pirate, Blackbeard. Hanging on the park s restaurant wall is a treasured family heirloom map which supposedly pinpoints the location of the treasure, but critical information is missing due to a lost torn corner of the map. Then, items discovered in a family trunk of heirlooms provide more clues for the cousins as do the mumblings and puzzles of a couple of the small town s oldest citizens. When mysterious events take place to thwart the search and bring down the demise of the old theme park, the boys realize someone else believes in the stories of gold and silver. The cousins find themselves in danger the more they search, and eventually meet up with Blackbeard himself. They find out the rumors about the treasure are quite true, but the ones about the legendary pirate are not. He is not their ancestor, but the notorious Blackbeard did fight to keep his stolen treasure from their own great-great-great-great grandfather, Captain Robert Parker, a Robin Hood of the High Seas. They go back in time to experience their ancestor s true pirate life and witness the burial of the treasure and the drawing of the map. Upon returning to the present day, a...
