St. Martin's Press, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise For You've Got to Be Believed to Be Heard "The Decker program is a real winner. [Bert Decker has] developed a truly unique method for brainstorming and quickly ordering ideas. I find that I can put a series of thoughts together into a coherent whole and then easily deliver them to any size audience. I only wish I had learned this system as a young person in school!" Charles Schwab, chairman of Charles Schwab & Co. "Bert Decker's patience and professionalism enabled me to create a message that was from the heart with a confident vision of the journey for the organization. Because he helped me rid my mind of following the script and helped me speak my mind, I actually enjoyed giving the talk." Phil Harriman, president of Million Dollar Round Table "Any professional manager needs to communicate well. The principles and insights of Decker Communications are outstanding! use them every day." Bob Geren, field manager for the Oakland Athletics "I think what the [process] did at Siemens was to help us quickly frame our thinking into listener-relevant messages. Now we have a consistent template for communicating that starts with a point of view, tells everyone what needs to be done, and gives them reason for doing it. As we have incorporated this incredible tool into our normal process for communicating any message, our people have reacted very positively. It answers the human questions: What? Why? What's in it for me?" Susan Schramm, Senior Vice President of Sales and Marketing at Siemens "At a time when public figures can often be creations of their handlers, Bert Decker gives a refreshing view. You've Got to Be Believed to Be Heard demonstrates how you can be real and still succeed." Nancy...
