Merril Press. Paperback. Book Condition: new. BRAND NEW, Brother Against Brother: America's New War Over Land Rights, Diana White Horse Capp, Brother Against Brother is an important book that is an intensive personal examination of a cultural war that has received too little attention. Conflicting government promises for land and water unfairly pit Americans, both tribal and non-tribal, against each other. Astonishingly, environmentalists exploit the conflict using their "Nature First" agenda even against the rights of the first protectors of the earth. Author Diana White Horse Capp calls for unity to bring brother together with brother to fight a common enemy, those who would take away rights to satisfy their ideological ambitions. This book is an important social examination of what is taking place in rural America.
