Square Foot Gardening: For Beginners: With Tips and Tricks and Organic Square Foot Gardening

By Evelyn Craig

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Starting a home garden should be easy and fun. These two qualities make square-foot gardening appealing even to people who have never done gardening all their lives. In many parts of the world, gardening is considered only as a hobby for people who are near their retirement age. It is not a hobby considered by people who are in their working age. The people behind square foot gardening have changed this perspective in many areas around the globe. Anyone can do square foot gardening. You don't need a very wide backyard to do it. This is the problem of most people. They get discouraged from gardening because they think that their property lacks enough space for it. Square foot gardening takes care of that concern. You also need very little resources to start this project. The amount of time, money and energy that you need to spend in this method is but a fraction of what you would spend in traditional gardening methods. Most of the prescribed materials are sustainable and easy to find. The structural materials...
