SIMON SCHUSTER, United States, 1999. Paperback. Book Condition: New. 203 x 134 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Now from the author the Washington Post Book World calls the dark chronicler of human vanity and folly comes Celebration. The newest black comedy from Harry Crews is a biting, brilliant commentary set in a Florida rest-home gulag where the over-sixty-five set checks its dignity, self-esteem, and social security numbers at the door. Forever and Forever is the aptly named retreat, populated by a motley crew of forgotten wives and ruined men who are waiting for death while working on their tans. The leader of this group is Stump, whose lost arm paid for Forever and Forever, and who believes the silent desperation that infuses the trailer park masks the fact that Forever and Forever is truly a small piece of hell on earth. This ironic silence is shattered by the entrance of a beautiful young bombshell. Too Much is her name, and that is exactly what she is. This walking bonfire awakens long dead appetites in the inhabitants of Forever and Forever, reminding them of what they once were and can be again -- alive.
