## NEXT TIME

iUniverse, United States, 2010. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tom Wyatt s(U.S. Marine of the early seventies) past life is about to collide with his present, all as a result of a ghostly mistake made surrounding his current life s demise. This interruption in death will force his past life to enter into the present and change his destiny suddenly, at great expense emotionally and with a great love loss. Wyatt s current life had few parallels with his past earthly adventure, one life not reflective of the other with the exception of a few moments in war and a couple of old friends that reappear from the past, one woman s love and a kind and gentle heart buried in this main character. Deep in the midst of adventure, ungentlemanly conduct, funny tales, war, and desperate situations, Wyatt embarks on a journey that will enthrall the reader with the turn of each page. Next Time is an entertaining work of fiction that has within it a clever twist or two, a corrupt yet lovable main character, romance, and an ending that would make anyone look forward to their own next time.
